Replacing the Seat of an Evenflo ExerSaucer Turn the white label sewn into the fabric seat cover towards the inside of the plastic seat facing the rear of the ExerSaucer.. The Evenflo car seats are designed in two parts -- a base unit that secures to the back seat of your car with webbed straps and the vehicle's seat belts, and a padded seat with a criss-cross locking safety harness to secure the child.. This design allows you to unlock the Evenflo seat and carry your baby with you without removing the child from the seat. 6e4e936fe3 [Download Driver Bolt Slim 1](#)
